The work done under Mentoring System is as follows:

- Financial assistance provided by extending concession in fees to be paid for industrial visit for final year students, keeping in mind their economic background.
- The interested students in competitive examinations were provided guidance by experts; in addition some unprivileged students were financially assisted to join private tutorials for these examinations and to purchase the study material.
- For all around development of personality of students, they were encouraged to participate in college level and intercollegiate level activities.

Devalka

The work done under Mentoring System is as follows:

- The interested students in competitive examinations were provided guidance by experts; in addition some unprivileged students were financially assisted to join private tutorials for these examinations and to purchase the study material.
- For all around development of personality of students, they were encouraged to participate in college level and intercollegiate level activities.
