## Students Feedback - Action Taken Report (2018-19)

Outcome or Suggestion of Feedback from Students	Action Taken in that Reference
It was observed that physically disabled students expect more facilities	All heads and teachers are informed to take special care with reference to physically disabled students. Wheel chair is arranged and kept in sports department of the college.
Maintenance of boys' washroom is expected more frequently.	It was informed to concerned persons to improve frequency of the maintenance of both boys and girls washrooms.
