### Report

Guest Lecture on "Expectation of Employers" was conducted on 25/01/2018 for students of Sem II and Sem IV of the Department. Mr. Swapnil Bende worked as Speaker for the Lecture. Overall 50 students attended the session. The Speaker innovatively explained the Expectation of Employers with examples.

Workshop on Group Discussion Techniques was conducted in the Second Half of the day with the same Resource Person. Only Sem IV students were permitted to attend the workshop which was attended by 10 students. It was found that our students are far below the fair standard in Group Discussion Techniques. Most basic problem is lack of command on English Language. To deal with this a Two-Days Workshop is being planned in which some tricks and techniques will be taught to students so that they can at least be brought to fair level in this reference.
