## **7.1.5**

# **Green Campus Initiative**

### **7.1.5 Green Campus Initiatives:**

- **Restricted entry of automobiles**
- **Use of Bicycles/ Battery powered vehicles**
- **Pedestrian Friendly pathways**
- **Ban on use of Plastic**
- **Landscaping with trees and plants**

#### **Response:**

**For green practices faculty, staff and students use following ways:**

**Restricted entry of automobiles:** College have banned entry on the vehicles in the campus area. All the vehicles are parked in the specified parking area.

**Bicycle:** As a part of environmental consciousness almost more than 80% of students use bicycle for transportation. Many Staff members prefers to come to college by walking.

#### **Public Transport:**

- Being a college situated in village and Taluka place, almost all the students belong to villages and they prefer public transport for commuting to the college. More than 70% of students and staff use public transport for conveyance.
- Very few students and staff members use car, two-wheeler and auto-rickshaw for conveyance, but in that also they share their transport or pools the transport vehicles.
- Students are encouraged to make conveyance passes.
- Campus is a Horn Free zone and vehicle movement is restricted.

#### **Plastic Free Campus:**

- As a 'Swachha Bharat Abhiyan' initiative Campus is already declared **Plastic free**. College as well as canteens is instructed to minimize use of plastic and use of disposable plastic is disallowed.
- Plastic containers are used as a pot for tree planting.
- The students and faculty are encouraged to plant more trees and making the campus garbage and plastic free zone.

#### **Paperless Office:**

- Most of the communication between departments is through departmental email and social media as WhatsApp.
- Official Information is sent online. College data is stored in hard drives. Photographs are maintained in soft copy.

- Major Administration processes have been digitized using various CIMS, pay roll CIMS, Library Software, Maha dbt Govt., Sewarth Shalarth, NSR Scho. Govt.
- Notices are forwarded through email or WhatsApp groups of teaching, non-teaching staff and students.
- Most of the IQAC documentation is paperless and google drive is used for communication, sending and storing of documents.

#### **Green landscaping with trees and plants**

- Initiatives taken by the college to make campus eco-friendly.
- Nursery is developed by Department of Botany.
- Tree plantation with medicinal plants have been done in the campus.
- Drip irrigation is used for watering to plants.
- Roof top water harvesting is done.
- Energy conservation is done by maximizing the use of natural light.
- All the buildings are made such that plenty of aeration and natural light should be available in the building. This has reduced the dependency on artificial light and air in the buildings.
- Watering to plants is done early morning or in the evening.

प्राचार्यांचे कार्यालय, नबीरा महाविद्यालय, काटोल
