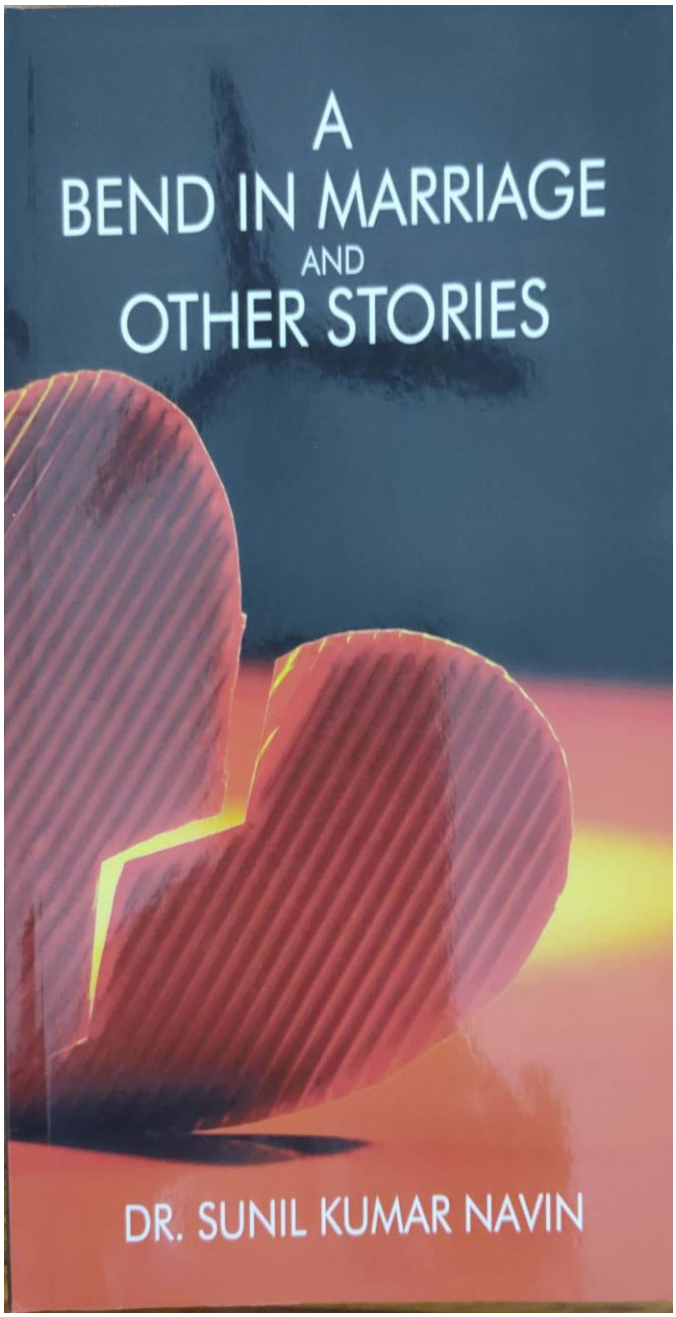
3. Dr. S. K. Navin :



A Bend in Marriage and Other Stories is the second volume of short stories which pre-eminently deal with contemporary issues reflecting socio-economic conditions in Indian society. Stories in the volume deal with emotions of love, loyalty, jealousy, hatred etc which make them universal in appeal.

A Bend in Marriage, the title story, presents how misunderstanding between a husband and his wife leads to an unpalatable situation where the recalcitrant wife decides to quit the family. Later, her mother-in-law pleads with her to stay back and not to jeopardise domestic harmony. Realising her folly, the daughter-in-law decides to stay back and save the honour of the family.

The volume is an exciting reading.

Dr. Sunil Kumar Navin, Principal, Nabira Mahavidyalaya, Katol was born in Khagaria, Bihar in 1964. He graduated from T.N.B. College, Bhagalpur and did M.A. from the Department of English, Bhagalpur university, Bhagalpur. He did Ph.D. in 2000 from Nagpur university. Since 2004 he has been supervising scholars for Ph.D. So far 14 scholars have been awarded Ph.D. under his supervision. He completed two UGC sponsored Minor Research Projects, one on 'Problems in Acquisition of L2(Eng.) among Students in Rural Parts of Vidarbha :Reasons and Remedies' in 2008 and the other on 'Expression of Social Realism in Shiv K Kumar's Novels' in 2010. He completed one UGC sponsored Major Research Project on Comparative Perspectives in Partition Novels in 2015. His research articles have been published in National, International journals and even in many reference books. १.१ : प्रास्ताविक (Introduction)

पृथ्वीवर राहणाऱ्या सर्वच प्राणिमात्रांना समुहात राहणे आवडते. सर्वांमध्ये मिसळून मिसळून कार्य करणे, आपला आनंद, दुःख आणि विचार इतरांजवळ व्यक्त करणे हा मानवी सहज स्वभाव आहे. त्यातून 'सहकाराचा' उदय झाला आहे. एकत्रित राहून एका विचाराने कार्य करणे म्हणजे 'सहकार' होय, असा सहकाराचा अर्थ स्पष्ट करता येतो. सहकार हा पृथ्वीवरील सृष्टीचे एक चिरंतन आणि व्यापक स्वरूपाचे तत्त्व आहे. मानवाने विकासाच्या प्रत्येक टप्प्यांमध्ये या तत्त्वाचाच अवलंब केल्याचे आढळून येते. एकमेकांना मदत करणे हे मानवी स्वभावाचे प्रमुख वैशिष्ट्ये आहे. वालाच 'सहकार' असे म्हणतात. अनेकांनी मिळून काम करणे हाच 'सहकार' शब्दातून अर्थ ध्वनित होतो. अनेकांनी एकत्र येऊन सामूहिकरीत्या सर्वांच्या हितासाठी कार्य करणे ही सहकाराची मुख्य भूमिका आहे. 'एकमेका साह्य करू - अवघे धरू सुपंथ' हा सहकाराचा मूलमंत्र आहे. या मंत्रानुसार समान गरजा आणि समान हित असलेल्या समाजातील अनेक व्यक्ती एकत्रित येऊन एक संघटन तयार करतात. त्यांना 'सहकारी संस्था' असे म्हणतात. विविध उद्दिष्टांसाठी विविध प्रकाराच्या सहकारी संस्था स्थापन केल्या जातात. उदा. कर्ज पुरवठा करण्यासाठी 'सहकारी पत पेढ्या' किंवा 'सहकारी बँका', घर बांधणीसाठी 'सहकारी गृहनिर्माण संस्था', ग्राहकांना मालाचा पुरवठा करण्यासाठी 'ग्राहक सहकारी संस्था' इत्यादी. समाजात या संस्था अत्यंत महत्त्वपूर्ण कार्य करतात. भांडवलशाही आणि समाजवाद यातील सुवर्णमध्य म्हणजे 'सहकार वाद' होय. भारताच्या अर्थव्यवस्थेत 'सहकारवादाला' अत्यंत महत्त्वाचे स्थान आहे.

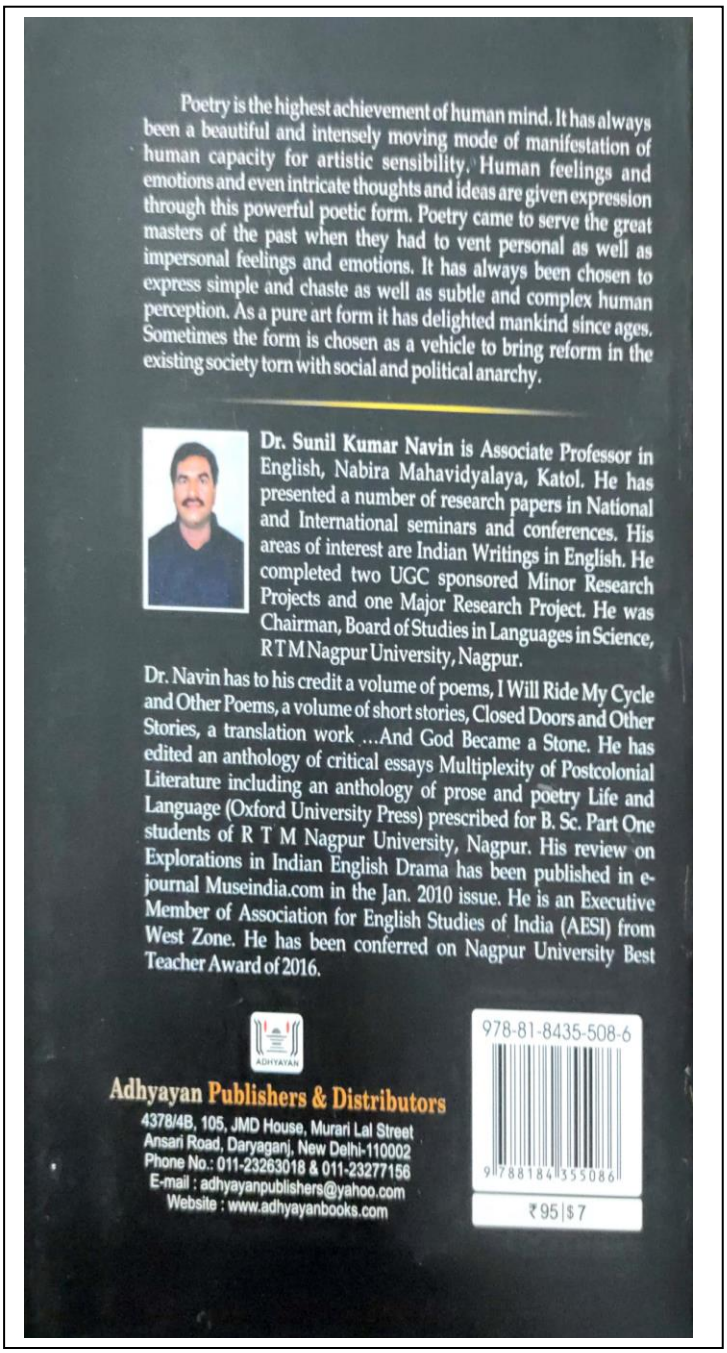
A Child's Prayer
and
Other Poems
Sunil Kumar Navin



Poetry is the highest achievement of human mind. It has always been a beautiful and intensely moving mode of manifestation of human capacity for artistic sensibility. Human feelings and emotions and even intricate thoughts and ideas are given expression through this powerful poetic form. Poetry came to serve the great masters of the past when they had to vent personal as well as impersonal feelings and emotions. It has always been chosen to express simple and chaste as well as subtle and complex human perception. As a pure art form it has delighted mankind since ages. Sometimes the form is chosen as a vehicle to bring reform in the existing society torn with social and political anarchy.
Dr. Sunil Kumar Navin is Associate Professor in English, Nabira Mahavidyalaya, Katol. He has presented a number of research papers in National and International seminars and conferences. His areas of interest are Indian Writings in English. He completed two UGC sponsored Minor Research Projects and one Major Research Project. He was Chairman, Board of Studies in Languages in Science, R T M Nagpur University, Nagpur.
Dr. Navin has to his credit a volume of poems, I Will Ride My Cycle and Other Poems, a volume of short stories, Closed Doors and Other Stories, a translation work ...And God Became a Stone. He has edited an anthology of critical essays Multiplexity of Postcolonial Literature including an anthology of prose and poetry Life and Language (Oxford University Press) prescribed for B. Sc. Part One students of R T M Nagpur University, Nagpur. His review on Explorations in Indian English Drama has been published in e-journal Museindia.com in the Jan. 2010 issue. He is an Executive Member of Association for English Studies of India (AESI) from West Zone. He has been conferred on Nagpur University Best Teacher Award of 2016.

ABOUT THE AUTHORS
Vijay M. Soni, M.Sc., M.Ed., working as an Associate Professor in Department of Mathematics, D.B. Science College, Gondia with 23 years of teaching experience at UG level. Also he has a knack of simplifying mathematics for novice. "Students are the best outlets that a teacher moulds into responsible citizens", is his conviction. Theory of relativity is his forte. He is also socially involved through NGOs.
Rishi K. Agrawal, M.Sc., NET, B.Ed., serving at Hislop College, Nagpur as an Associate Professor and Head, Department of Mathematics having teaching experience of 16 years at UG level. Since 2003, he has been working on self-developed innovative teaching-learning method named GANEET DARSHAN, an outcome of several workshops conducted by him spouted out inner flux of students. He strongly believes that each student has his own mathematics laboratory in the form of his mind which a teacher has to open and let students to make proper use of it by thinking and visualizing mathematics around them.
