One Day Webinar on the occasion of

“World Environment Day - 2021”

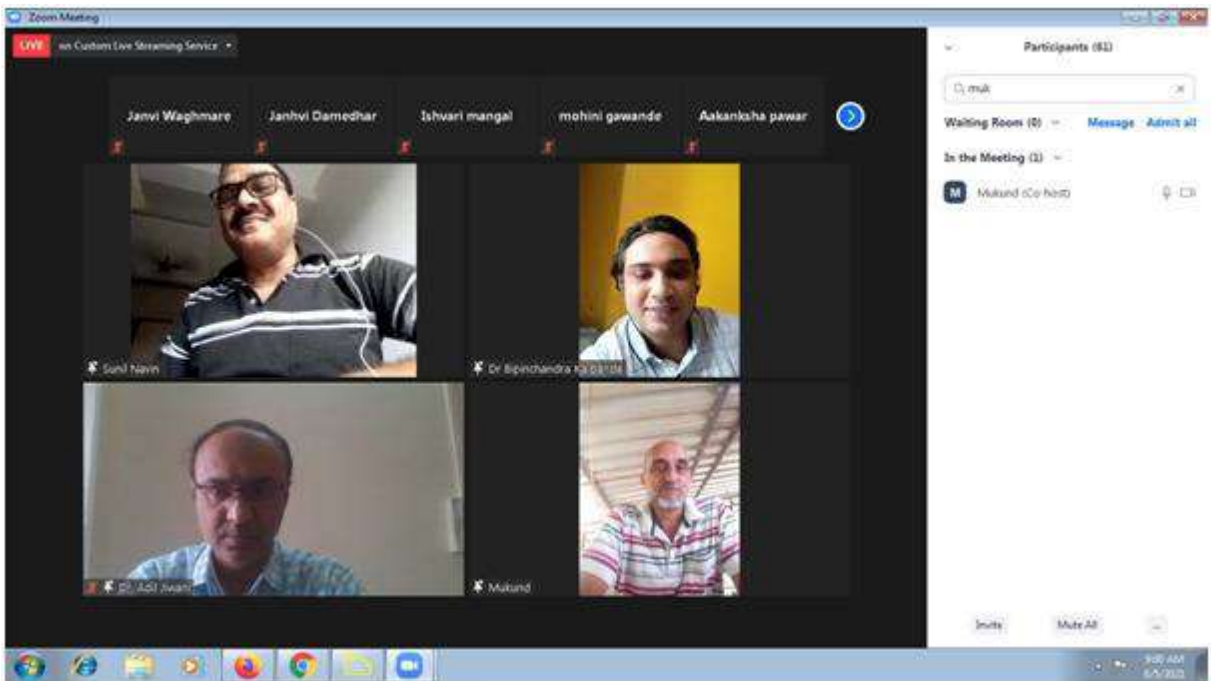

Title: One day webinar on occasion of “World Environment Day - 2021”.

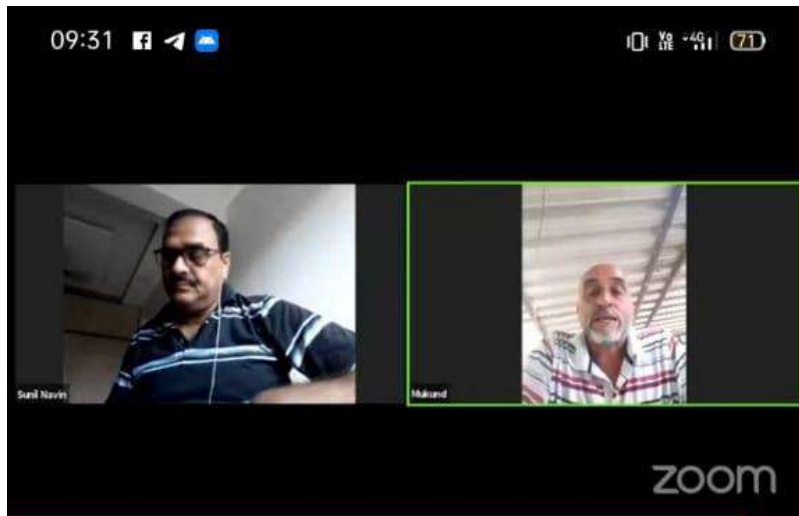

Timing of the webinar: Morning 10.00 am, on 5th of June, 2021.

Participant: Webinar was open for all students from Nabira Mahavidyalaya, Katol, Students of other colleges and schools, and all people in society.

On the occasion of National Science Day - 2021 “Future of STI: Impacts on Education Skills and Work”, to create an awareness among the students regarding environment and sustainable development, Department of Botany & Department of Zoology with IQAC of our college in collaboration with *Ayurvan Aura Park, Nagpur* (NGO working in cultivation and conservation of medicinal plants) had organized a webinar on the topic of “**Future of STI**”. For the webinar we have invited Shri Ambarish Ghatate, Founder Ayurvan Aura Park, Nagpur and Shri Mukund Sherekar, Nature Activist and member of Ayurvan Aura Park team, as a resource person. Both have delivered a quality lectures on “*Ecosystem Restoration and Importance of Medicinal Plants in current pandemic era*”. More than 1000 students from our colleges and different colleges were benefited from the webinar.

Dr. B. B. Kalbande
Asst. Prof. & Head
Department of Botany,
Nabira Mahavidyalaya, Katol.

One Day Botanical Excursion Report

Title: “One Day Botanical Excursion to Ayurvan Aura Park”.

Date: Tuesday, 25th February, 2020.

Department of Botany have organised a one day Botanical Excursion for B.Sc. Sem-II and Sem-IV students, as a part of regular activity mentioned in university syllabus. *This tour was organised as a collaborative activity between the Botany Department and Ayurvan Aura Park, Nagpur.* Students were taken to visit the Ayurvan Aura Park placed in Kathlabodi village near Bajargaon. The place is around 37 km from our college. Aura Park is a part of Ayurvan Foundation established by Mr. Ambarish Ghatate. This place is very enchanting and is dedicated for the conservation of medicinal plants diversity. There are more than 1000 species of different medicinal plants mentioned in Indian Ayurveda are cultivated here. The staff involved in the activities have detailed knowledge about the cultivation and medicinal uses of all these plants.

20 students of B.Sc. Sem-II and 20 Students of B.Sc. Sem-IV along with all the staff of botany department left for the Aura Park at 9.00 am by bus and reached at the destination at around 10.15 am. We had an introductory remark along with breakfast and students were educated about importance of our Indian traditional system and heritage traditional medicines. Then, students were grouped into to two groups and one group taken on one side of the farm and other on other. In the afternoon students have enjoyed lunch prepared by farm grown organic vegetables. In the post lunch session students were taken to Nakshatra-Van and explained about

the relation between our Indian Astrology and the plants related to them and their effect on human life. It was an enchanting experience.

At the end we sign the *Memorandum of Understanding between Ayurvan foundation and Department of Botany, Nabira Mahavidyalaya Katol* for helping each other in research activities related to Ayurveda and Ayurvedic plants. We left the place around 5.00 PM and reached the college around 6.00 PM. Students enjoyed the tour a lot as they got the opportunity to spend quality time with nature and learned a lot about the importance of our Indian Ayurvedic Culture.

Number of beneficiaries: Total 38 students of B.Sc. Botany Sem-II (18) and Sem-III (20) got benefited from this tour.

Dr. B. B. Kalbande
Asst. Prof. & Head
Department of Botany,
Nabira Mahavidyalaya, Katol

Introductory Lecture at Aura Park

Mr. Ambarish Ghatate explaining the students about the exotic Ayurvedic plant.

Students listening about Nakshatra-Van and its importance.

MOU exchanged at the end of the event.
