

CONCLUSIVE REMARK
TEACHER'S FEEDBACK 2021-2022

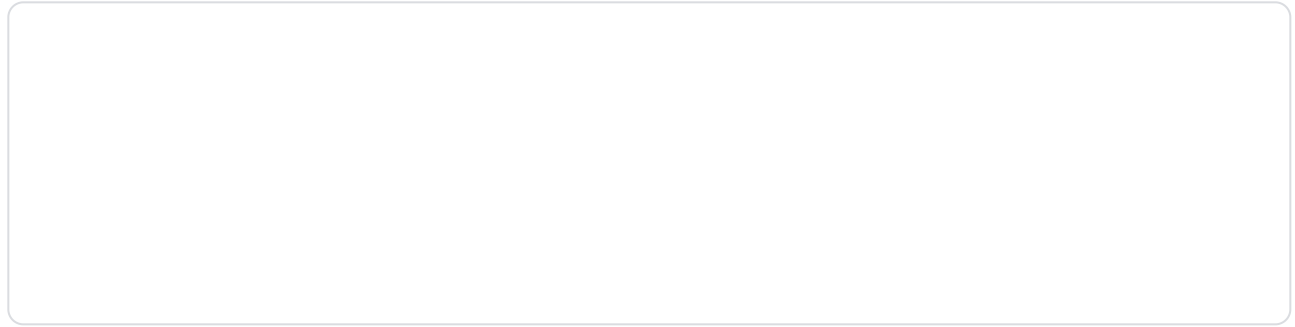

Institute has collected feedback with reference to Administrative and Overall educational as well as social environment, its support system, and facilities. We have served them with questions related to tuning with administration, teaching and learning process, self-development, teacher's grievance, facilities like canteen and library etc. A teacher provides meaningful feedback through written forms as this will greatly improve their overall success. Learning intentions explicitly state what the learner should know, understand and be able to do by the end of an activity, unit of work, or a lesson and they are expressed in language learners understanding.

Conclusive remarks from the Data

- More than 50% teachers strongly agree with the collage vision, philosophy and objective of the institution in the decision of collage.
- 58% teachers agree on that institute provide development opportunities to staffs. Most of the staff advises that administrative staff behave nicely and cooperate to teaching staff.
- Teaching staff are satisfied with the collage procedure and policies .collage provided good facility and encouragement for their research work.
- 50% teaching staff strongly agrees to the facility of rest room, toilets, laboratory, and playground well maintained in the college premises. Some teachers not satisfied with the canteen facility available in the collage. 58% teachers are satisfied with medical facilities in the collage.
- 85% teaching staff agrees to collage has well maintained classrooms. 55% teaching staff agrees that collage pays attention to conservation of environment and campus is eco-friendly.
- 69% teaching staff agree that appreciation of the individual work is given in the institution.
