- **Title:** - Guest lecture on “**Sericulture for Women empowerment**”.

**Date:** - 9<sup>th</sup> March 2022

**No. of Beneficiaries:** - 66

**Description of the program:-**

- A Guest lecture was arranged by the department on “**Sericulture for Women empowerment**” for B.Sc. final year students on March 9, 2022. The guest speaker for the seminar was Dr. Manoj Thakare, Asst. Prof., Dept. of Zoology, KZS College, Kalmeshwar. Major goal of the program was to give students a better understanding of the practical uses of sericulture and the employment opportunities that would support women in starting small scale business.
- Dr. Manoj Thakare has pointed out that during the 1990s, when a number of foreign donor agencies made it possible for female-focused NGOs to develop and since then women's empowerment has received special attention in India's rural agro-industrial sector. Women's participation in the workforce, in social and personal decision-making, and in economic development has become a crucial problem as globalization has begun to exclude all socially marginalised groups. Dr. Manoj Thakare explained the complete production and marketing process for silk.

**Outcome of the program:**

Students gained understanding of the scientific process of producing silk as well as how to build a small business for the growing of silkworm, production, and sale of silk and related products.
