## Students' Feedback - Action Taken Report (2022-23)

Outcome or Suggestion of Feedback from Students	Action Taken in that Reference
Students expect better facilities in Laboratories and they also expect better Cleanliness and Hygiene in the Premises.	Authority has already taken steps in this reference. More Equipment are purchased for laboratories and few new labs are set up. More support staff is dedicated towards cleanliness and maintenance of the premises.

## Students' feedback- Conclusive remarks (2022-23)

Our institute has gathered feedback from students with reference to teaching learning process, its support system and about various facilities and infrastructure of the institute. We have served them with questions related to teaching learning process, syllabus covered, approach of teachers, tests, sports, NCC, NSS and various other facilities.

### Conclusive remark from the data:

It is concluded from the questionnaire data that:

Students are satisfied with process of remedial classes, periodic assessment and internal evaluation process.

More than 85% of students agree that college regularly hosts seminars and presentations for students, uses proper ICT tools and provide proper library facility.

Students are very satisfied with availability of practical lab, computer lab and sports facilities.

Students are satisfied with cultural activities, working of admin staff and safety security in the college.

Students are satisfied with anti-ragging cell, canteen facility and working of different committees and cells.

Students are also satisfied with disciplined environment in college, hygiene and cleanliness in college and with working of NCC and NSS department of college.

More than 75% of students agree that college takes care of their overall development.
