**Best practices successfully implemented
by the Institution.**

Best Practice - 1

**To create environmental awareness
amongst student, staff and society.**

BEST PRACTICE: 1

Title: To create environmental awareness amongst student, staff and society.

Goal: To inculcate environmental awareness among the students and to make them understand their individual responsibility in saving the environment and mother earth.

Context: An environment is a natural space in which both living things and inanimate objects coexist and converse. One of the primary challenges confronting the world in which we live today is environmental health. Day to day human activities including rampant cutting of trees have impacted our environment in more than one way. Climate change, smog, water pollution, and soil degradation have become everyday life challenges. With all of this in mind, the college started a variety of initiatives to educate staff members and students about the value of environmental preservation.

Practice: The College strongly promotes eco-friendly work culture and lifestyle, and encourages environmental conservation to fullest extent possible. The college practices energy conservation, solar energy, water management, vermicomposting and various other eco-friendly measures. The College is a polythene free campus. Every bit of paper is used to the maximum before it is recycled as a 'Paper Seed' or discarded. They also do seeds ball preparation program. Department of Botany runs these programs as their department's best practice. The students of the college are made aware of the practices at the very beginning of the session. In the session 2022-23 various programmes were organised online/offline to reinforce and strengthen the environmental consciousness among the students. Some of the programmes organised during the session include World Environment Day celebration, World Ozone Day celebration, Swachha Bharat Abhiyan, Insects World and its importance in Agriculture, Green colours for Holi, etc.

Evidences of success:

The Following programs/competitions conducted by the college to create environment awareness among the students evoked a good response. In some of the competitions students from different colleges have also participated.

Sr. No.	Title of the program	Program Type	Department conducting the program
1	Seed Ball Preparation	Environmental Awareness: Department Best Practice	Botany
2	Seed Paper Preparation	Environmental Awareness: Department Best Practice	Botany
3	Conservation & re-introduction of endangered plants species in to ecosystem	Environmental Awareness: Department Best Practice	Botany
4	Certificate Course in Plant Tissue Culture Techniques	Environmental Awareness: Department Best Practice	Botany
5	World Environment Day – 2022 Quiz	Social Awareness Online MCQ Quiz	Botany
6	World Ozone Day – 2022 Webinar	Webinar	Botany
7	Study Tour to Medicinal Garden	Ecological excretion	Botany
8	Sapling Donation Drive	Regional Biodiversity Conservation	Botany
9	Tree Plantation Drive	Regional Biodiversity Conservation	Botan
10	Insect World & Its Importance to Agriculture	Workshop	Botany & Zoology
11	Cleanliness Campaign (Inside the Campus)	Program Under Swachh Bharat Abhiyan Mission	NCC & NSS

12	Tree colouring & cleaning	Environmental Awareness	NCC & NSS
13	Punit Sagar Abhiyan	Program Under Swachh Bharat Abhiyan Mission	NCC & NSS
14	Swachchata Mission	Program Under Swachh Bharat Abhiyan Mission	NCC & NSS
15	Plastic Free Campaign	Cleanliness Drive in campus	Chemistry
16	Best from e-Waste	Department Best Practice	Computer Science
17	Best from the Waste	Department Best Practice	Commerce

Problems Encountered and Resources Required: The problems of time constraints and not compromising on the teaching-learning process were encountered.

Best Practices

Session 2022-23

Title

“Environmental awareness & biodiversity conservation through Seed Collection & Seed Ball Preparation”

Objectives of the Practice:

The main objective of this practice is to create awareness in the students towards the mother nature & conservation biodiversity.

The Context:

Students are involved in the collection of various plant seeds and in the making of seed balls. Which helps them to understand about the diversity of plant species around them.

The Practice:

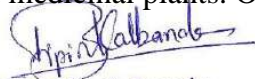

Number of aboriginal plant species are getting extinct and the number of plants is decreasing day by day. Students involved in this activity become aware about various types of plants and their seeds. These seeds are stored in “**Botany Seed Bank.**” Seeds balls are prepared by enclosing the seeds in the mixture of soil, organic manure and sand, and a small ball is prepared. This soil ball containing seeds are then thrown in barren lands or surrounding areas before rain or during rainy season. This coat increases the germination percentage of seeds by providing protection from birds, animal and insects. These seed balls were then distributed to the students and staff for distributing balls in their surrounding environment. This practice is important specially in Indian context as student became more and more aware about indigenous plants species and helps our ecosystem to flourish.

Evidence of Success:

Report of the events conducted are attached below.

Problems Encountered and Resources Required:

The main task is collection of seeds. Students need to collect as much seeds as possible and they should be as many as plant varieties of plants specially fruits and medicinal plants. Other material. Apart from seeds black cotton soil, organic manure, sand.

Dr. B. B. Kalbande
Asst. Prof. & Head
Department of Botany,

Session: 2022-23

“Seed Boll Distribution Drives”

Department of Botany is making these seed balls from seeds of various native local plants from last two years. Each year we do collect various seeds of the plants from college campus and surrounding area. Students helps us in this seed collection activity, they also collect seeds from their villages and farms. These seeds were treated with antifungal agents and then are used for seed ball preparation. Seed balls prepared during the Seed Ball Preparation Workshop on 31.05.2023 were distributed at various events.

Event - I

Place: Prerna College, Nagpur.

Date: 3rd June, 2023.

Participant: Students of Prerna College Nagpur.

Seed balls prepared were donated to Prerna College, Nagpur on 3rd June, 2023. They distributed these seed balls amongst their students. This activity was undertaken to celebrate “World Environment Day – 2023”.

Event - II

Place: Nabira Mahavidyalaya, Katol.

Date: 5th June, 2023.

Participant: Around 200 students of arts and commerce discipline.

Seed balls were distributed to arts and commerce students at auditorium of main building by the hands of our Principal Dr. Sunil Kumar Navin. Dr. Bipinchandra Kalbande explains the importance of seed ball and method of their distribution. Students made a promise to distribute these seed balls around their living area.

Event - III

Place: Nabira Mahavidyalaya, Katol.

Date: 8th September, 2023.

Participant: B.Sc. Botany final year students.

Seed balls were given to B.Sc. Botany final year students for distribution at their farm fields.

Event - IV

Place: Nabira Mahavidyalaya, Katol.

Date: 24th September, 2023.

Participant: Around 300 students of B.Sc. First Year, Second Year, NSS & NCC cadets.

On occasion of Tree Plantation drive jointly organized by Department of Botany, NSS & NCC departments all participating students were given seed balls for distribution during plantation drive and to spread balls at outskirts of their villages. Seed balls were given to B.Sc. Botany final year students for distribution at their farm fields.

Outcome of the program: Students learn the importance of trees for the health of environment and get encouraged for environment conservation.

Number of beneficiaries: Around 750 students from Science, Arts & Commerce faculty also NSS & NCC students.

“Seed Ball Preparation”

Department of Botany in association with NSS Department have organised a workshop on “**H**ands on training to prepare soil Seed Ball” for NSS & Botany students. The workshop is organised on 31th of May, 2023. Students will be explained about the concept of seed ball technology and its importance in current scenario. Also, they will be given hands-on training on seed ball preparations.

Session: 2022-23

“Seed Boll Preparation Workshop”

Title: One day workshop on “Seed Boll Preparation”.

Timing of the workshop: Morning 10.00 am to 1.00 pm, on 31st May, 2023.

Participant: Students from B.Sc. Botany and NSS were the participants of this workshop.

Seed balls prove to be a highly effective strategy for enhancing seed germination rates and fostering increased green coverage. Dr. Bipinchandra Kalbande eloquently elucidated the significance of seed balls in his introductory remarks. The subsequent practical session, led by Dr. Kalbande, featured a hands-on demonstration on crafting seed balls using a diverse range of seeds, meticulously gathered by students from the NSS and Botany department. Under Dr. Kalbande's guidance, NSS and Botany students actively participated in the preparation of seed balls, contributing to the practical application of this impactful method.

Outcome of the program: Students learn the technique of Seed Ball preparation and decided to perform this activity at home also, every year.

Number of beneficiaries: 46 Students from B. Sc. Botany and NSS unit were benefited from this workshop.

“SEED PAPER INITIATIVE”

This is our small step towards conservation of Mother Nature.

We will collect used office papers and transform them into Seed Papers.

Please join hands in our small initiative and donate used and waste paper to Botany Department, Nabira Mahavidyalaya, Katol.

We will issue certificate of appreciation to the donars.

Date: 05.08.2022

To,

The Principal,

Nabira Mahavidyalaya, Katol.

Subject: Permission to conduct Paper Seed activity reg...

Respected Sir,

Department of Botany have started *Seed Paper Activity* from the session 2021-22. In this activity we have convert waste paper from Botany Department into the recycled paper which is incorporated with seeds of various vegetables and flowers. This year (2022-23) we want to extend the circumference of this activity to all the college. We need your kind permission and support to extend this activity at college level.

Thanking you

Yours obedient

Dr Bipinchandra B. Kalbande

Activity Coordinator

Nabira Mahavidyalaya Katol

Department of Botany

Best Practices

Session 2022-23

Title

“Recycling of office waste paper by converting them into seed paper”

Objectives of the Practice:

"Seed Paper Making Activity", started in 2021, was continued in 2022-23 session also with the aim of recycling office waste paper by transforming it into seed paper, aligning with the overarching goal of environmental sustainability. The primary objective of this initiative is to repurpose office waste paper in an engaging and eco-friendly manner.

The Context:

Departments and offices across the campus generously contribute their waste office paper to the Botany department. Subsequently, students from the Botany department utilize this paper to create seed paper, incorporating seeds of various flowering and vegetable plants.

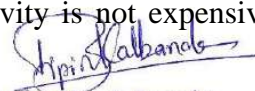

The Practice:

The Department of Botany is committed to fostering a clean campus environment and reducing the college's carbon footprint. To achieve this, waste office paper is systematically collected from all departments and administrative offices. Through a meticulous process, students convert the paper into pulp, which is then moulded into diverse shapes and sizes, embedding small seeds within. The resulting seed papers are then distributed back to the donor departments, where they are utilized as needed. Many of these papers are creatively adorned to craft gift cards for college guests. This initiative not only promotes recycling but also encourages sustainability practices among students and staff.

Evidence of Success: Photographs of the events conducted are attached below.

Problems Encountered and Resources Required:

Students enjoy this activity as they do some creative work. This activity is not expensive. Enjoyed by the teachers also.

Dr. B. B. Kalbande
Asst. Prof. & Head
Department of Botany,
Nabira Mahavidyalaya, Katol.

Session 2022-23

Title

“Conservation & re-introduction of endangered plants species in to ecosystem”

Objectives of the Practice:

The main objective of this activity is to conserve endangered plant species by *in-vitro* conservation techniques and reintroduce these plants into their environment so that they can take their proper place in their ecosystem.

The Context:

Department of Botany is equipped with state of an art Plant Tissue Culture Lab funded by honourable management of the college. We are using this facility to save the endangered plant species in Vidarbha region. We have adopted “Yellow Palah” (*Butea monosperma*).

The Practice:

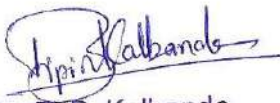

Department of Botany have decided to work on this plant for its conservation because this plant has now become endangered and comes into red list of endangered plants. We have identified its location in and we are taking care of that plant. Educating locals about the plant and its importance. We are collecting seed of these plants. Seeds and leaves of the plants are being used in as an explant in *in-vitro* germination program by using plant tissue culture techniques. Interested students are involved in this activity as well.

Evidence of Success:

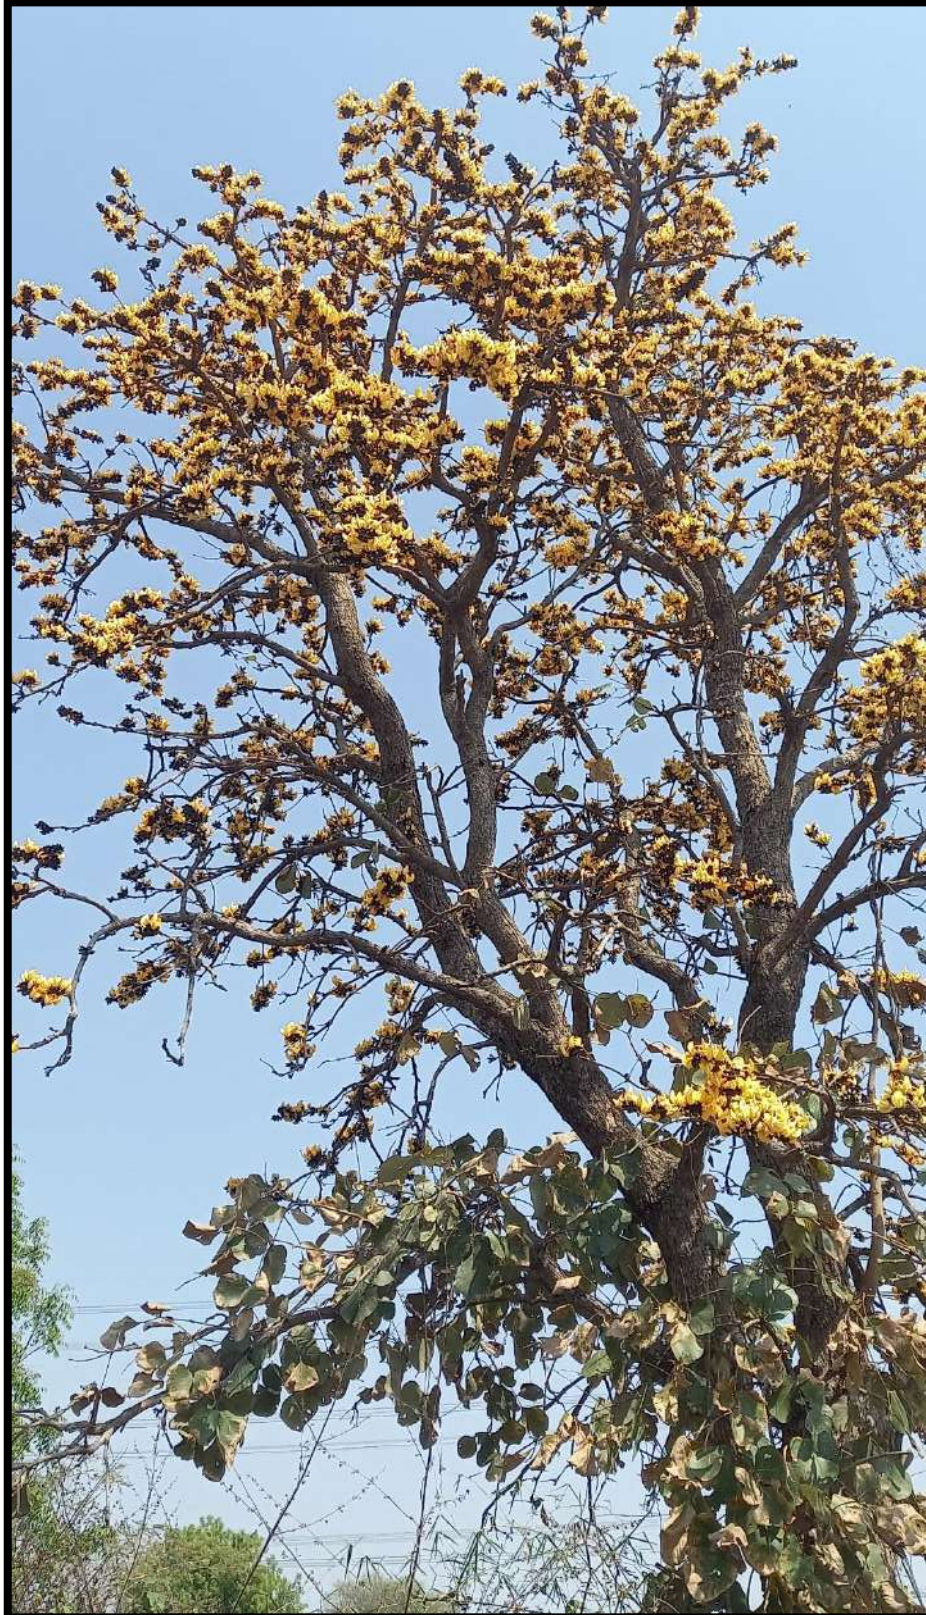

Report of the events conducted are attached below.

Problems Encountered and Resources Required:

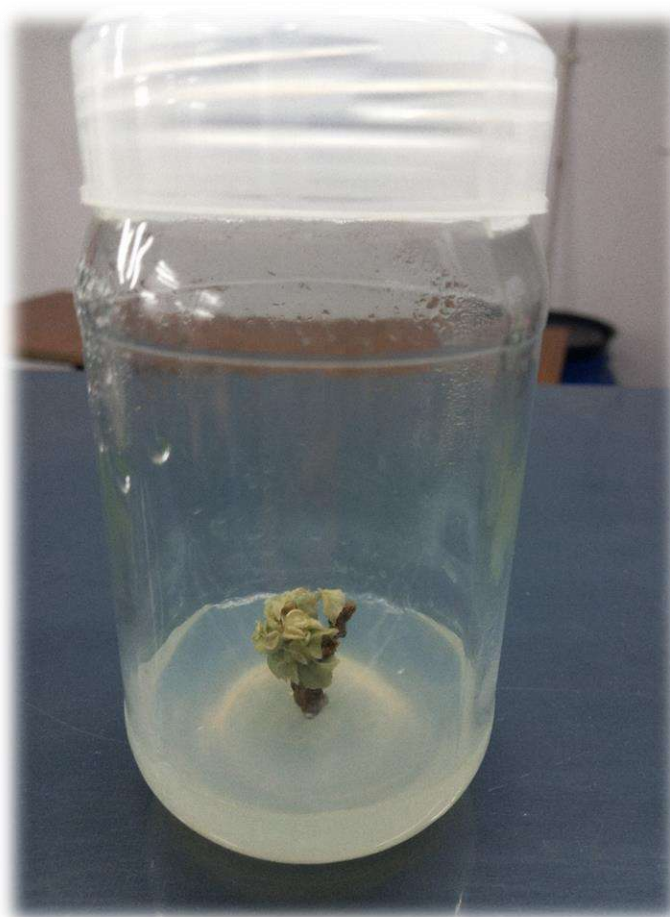

This activity is very important and prestigious. To trace the location of endangered plant is challenging.

Dr. B. B. Kalbande
Asst. Prof. & Head

Title

“Certificate Course in Plant Tissue Culture Techniques”

Objectives of the Practice:

Objective of this practice is train students in new age technique which will help them to get industry job and to enhance their entrepreneur skills.

The Context:

Department of Botany, from last three years have been conducting University affiliated certificate course in plant tissue culture techniques. Students learn theoretical and most important practical aspect about plant tissue culture techniques.

The Practice:

In each academic session Department of Botany organises three months certificate course in PTC techniques. Students enrolled for the training were taught theory of plant tissue culture technique and side by side detailed practical sessions were taken. On hand training was given to the students so they gained perfection in the various lab techniques and learn about operation of various instruments used.

Evidence of Success:

Report of the events conducted are attached below.

Problems Encountered and Resources Required:

Fees for the program was kept very low, only Rs. 500/- so that students from rural areas, which makes the most of percentage of our college students, can afford this training. This is very expensive technique. It is difficult to maintain expenses of the PTC lab established.

Dated : 31.1.2023

Subject : Sanction for Conducting Short Term Courses under Jeevan Shikshan Abhiyan on No Grant Basis. (2022-23)

Sir/Madam,

With reference to your proposal for conducting Short Term courses indicated below under Jeevan Shikshan Abhiyan of this Department, this is to inform you that your proposal has been accepted and your College has been granted permission to conduct the course on the following conditions:

Details of the Course

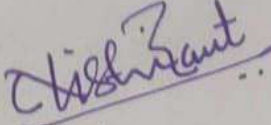

Sr. No.	Name of the Course	Name of Course Coordinator	Duration	Credit	No. of Candidates to be admitted	Fees to be Charged per Student	Fees to be Deposited With the Deptt.
1	Certificate Course in Plant Tissue Culture Techniques.	Dr. Bipinchandra . B. Kalbande	90 hrs. T-30. P-60	3	75	500/-	10%

Rules & Regulations of this Department regarding these courses should be strictly followed.

1. Owing to Covid-19 situations all the norms of Central & State Government and instructions by R.T.M. Nagpur University, Nagpur should be strictly followed.
2. This sanction is valid for this particular Batch only.
3. Fees for the course should be charged as per the norms prescribed.
4. Expenditure on the course should be incurred as per norms.
5. Course should be started within a Month from the date of sanction.
Please communicate your acceptance within a month and submit the Initial Report
6. Submit the List of Students admitted in the excel format attached herewith.

Also send a soft copy in CD/Pen drive.

Your's faithfully,

Director

**Social Awareness Online MCQ Quiz on the occasion of
"World Environment Day - 2023"**

Title: Social Awareness online MCQ Quiz on occasion of World Environment Day - 2023

Timing of the quiz: Morning 8.00 am to Midnight 12.00, on 5th of June, 2023.

Participant: Quiz was open for all students from Nabira Mahavidyalaya, Katol, Students of other colleges and schools, and all people in society.

On the occasion of World Environment Day – 2023 to create an awareness among the students regarding Mother Earth & Environmental Health, Department of Botany had organized this online quiz. The questions in the quiz were based on simple science facts and the quiz was is not designed to test the knowledge of students, but to increase their curiosity about science. Total 215 students from various colleges and different universities have participated in this quiz. All the participants were awarded with online e-Certificate of participation.

Outcome of the program: The quiz helped students and society to become more aware towards Mother Nature.

Number of beneficiaries: 215 students belonging to different faculties got benefited from this activity.

Social Awareness Online MCQ Quiz on the occasion of "World Ozone Day - 2022"

Title: "Social Awareness online MCQ Quiz" on occasion of "World Ozone Day - 2022"

Timing of the quiz: Morning 8.00 am to Midnight 12.00, on 6th of September, 2022.

Participant: Quiz was open for all students from Nabira Mahavidyalaya, Katol, Students of other colleges and schools, and all people in society.

On the occasion of World Ozone Day - 2022, to create an awareness among the students & society regarding Earth Environment and its ozone blanket & to increase their curiosity about environment health, Department of Botany had organized an online quiz. The questions in the quiz were based on simple science facts and the quiz was is not designed to test the knowledge of students, but to increase their curiosity about science.

Total 109 students from various colleges and different universities have participated in this quiz. All the participants were awarded with online e-Certificate of participation.

Outcome of the program: The quiz helped to become more aware towards ozone layer.

Number of beneficiaries: 109 students belonging to different faculties got benefited from this activity.

The image shows a Google Forms interface for a quiz. At the top, there is a navigation bar with tabs for 'Questions', 'Responses' (120), and 'Settings'. The total points are listed as 28. The main content area features a dark blue header with the text 'WORLD OZONE DAY' and 'SEPTEMBER 16'. Below this is the quiz title 'World Ozone Day : 2022 GK Quiz' and a description: 'This Quiz is organised by Department of Botany, Nabira Mahavidyalaya, Katol to create awareness amongst civilians and students of all ages to safeguard our Earth for our future generations. e-Certificate of participation will be provided on email id provided by participant.' The form includes three required text input fields: 'Email *' (with a 'Valid email' placeholder), 'Name of the participant. *' (with a 'Short answer text' placeholder), and 'Mobile Number *' (with a 'Short answer text' placeholder). A 'Send' button is visible in the top right corner of the form area.

One Day Botanical Excursion

Title: "One Day Botanical Excursion to Ayurvan Aura Park"

Date: 19th of November, 2022.

Participant: Students of B.Sc. First & Second year.

Department of Botany have organized a one-day Botanical Excursion for first- & second-year B.Sc. students, as a part of regular activity mentioned in university syllabus and as a regular program under MOU between Department of Botany and Aura Conservation Park (Ayurvan Aura Park). Students were taken to visit the Ayurvan Aura Park placed in Kathlabodi village near Bajargaon. The place is around 37 km from our college. Aura Conservation Park is a part of Ayurvan Foundation established by Mr. Ambarish Ghatate. This place is very enchanting and is dedicated for the conservation of medicinal plants diversity. More than 1200 species of different medicinal plants mentioned in Indian Ayurveda are cultivated here. The staff involved in the activities have detailed knowledge about the cultivation and medicinal practices of all these plants.

Total 55 students along with all the staff of botany department left for the Aura Park at 9.00 am by bus and reached at the destination at around 10.15 am. We had an introductory remark along with breakfast and students were educated about importance of our Indian traditional system and heritage traditional medicines. Then, students were grouped into two groups and one group taken on one side of the farm and other on other. In the afternoon students have enjoyed lunch prepared by farm grown organic vegetables. In the post lunch session students were taken to Nakshatra-Van and explained about the relation between our Indian Astrology and the plants related to them and their effect on human life. It was a captivating experience.

At the end we sign the Memorandum of Understanding between Ayurvedan foundation and Department of Botany, Nabira Mahavidyalaya Katol for helping each other in conservation and medicinal research related to Ayurvedic plants. We left the place around 4.30 PM and reached the college around 5.30 PM.

Outcome of the program: Students enjoyed the tour a lot as they got the opportunity to spend quality time with nature and learned a lot about the importance of our Indian Ayurvedic Culture. MOU was done for next three years.

Number of beneficiaries: Total 55 students of B.Sc. Botany first year & second year were benefited from this tour.

By organising

"SAPLING DONATION DRIVE"

To celebrate

75 Years of Our Independence

& to honor India's age old pledge towards
conservation of Mother Earth

The Department of Botany in association with NSS is organising
“Sapling Donation Drive” from 8th to 15th of August, 2022.

We request you to donate at least one plant sapling to the college. We will use these plant saplings for **Plantation Drive** that we organise regularly in and out of our college campus. You need not purchase the plant saplings. You can collect the plant saplings from your surrounding environment.

All donors will get *Certificate of Appreciation* from the college.

College students can donate plant saplings on 12.08.2022 & 14.08.2022,
from 8.00 am to 2.00 pm.

For sapling donation please contact program co-ordinators

“Tree Plantation Drive – 2022”

Title: Tree Plantation Drive

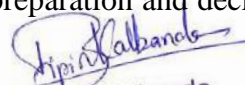

Timing of the workshop: 10.00 am to 12.00 pm, on 24th September, 2022.

Participant: Students from B.Sc. Botany and NSS were the participants of this drive.

As a part of our best practice and as a responsibility towards our society and Mother Nature Department of Botany in association with NSS do this activity of Tree Plantation at various places in Katol & its surrounding places. This year we went to Shree. Paramhans Pundalik Maharaj Mandir situated at Dhantoli Katol. All the students of B.Sc. Botany first, second & final year along with NSS & NCC cadets went to the Mandir where we all do cleaning of the place and planted various tree saplings in the garden of Mandir.

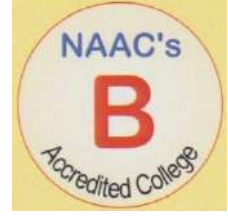

Outcome of the program: Students learn the technique of Seed Ball preparation and decided to perform this activity at home also, every year.

Number of beneficiaries: Around 170 Students.

One Day Webinar on

"Insect World & its Importance to Agriculture"

On occasion of

"National Science Day - 2023"

Title: One Day Webinar on "Insect World & its Importance to Agriculture"

Date: 13th of March, 2023. **Timing of the webinar:** Morning 11.00 am.

Participant: 51 Students of B.Sc. Second & Final year.

Guest Speaker: Dr. Shakti Kumar Singh, Scientist D, National Museum of Natural History, New Delhi, Ministry Of Environment, Forest & Climate Change, (MOEFCC).

On the occasion of National Science Day - 2023 "Future of STI: Impacts on Education Skills and Work", to create an awareness among the students regarding environment and sustainable development, Department of Botany & Department of Zoology with IQAC of our college had organized a webinar. The topic of webinar was "Insect World & its Importance to Agriculture". For the webinar we have invited Dr. Shakti Kumar Singh, Scientist D, National Museum of Natural History, New Delhi, as a guest speaker. Dr. Singh explained about the various details and basics about insects and their types in the first half of their talk. In the

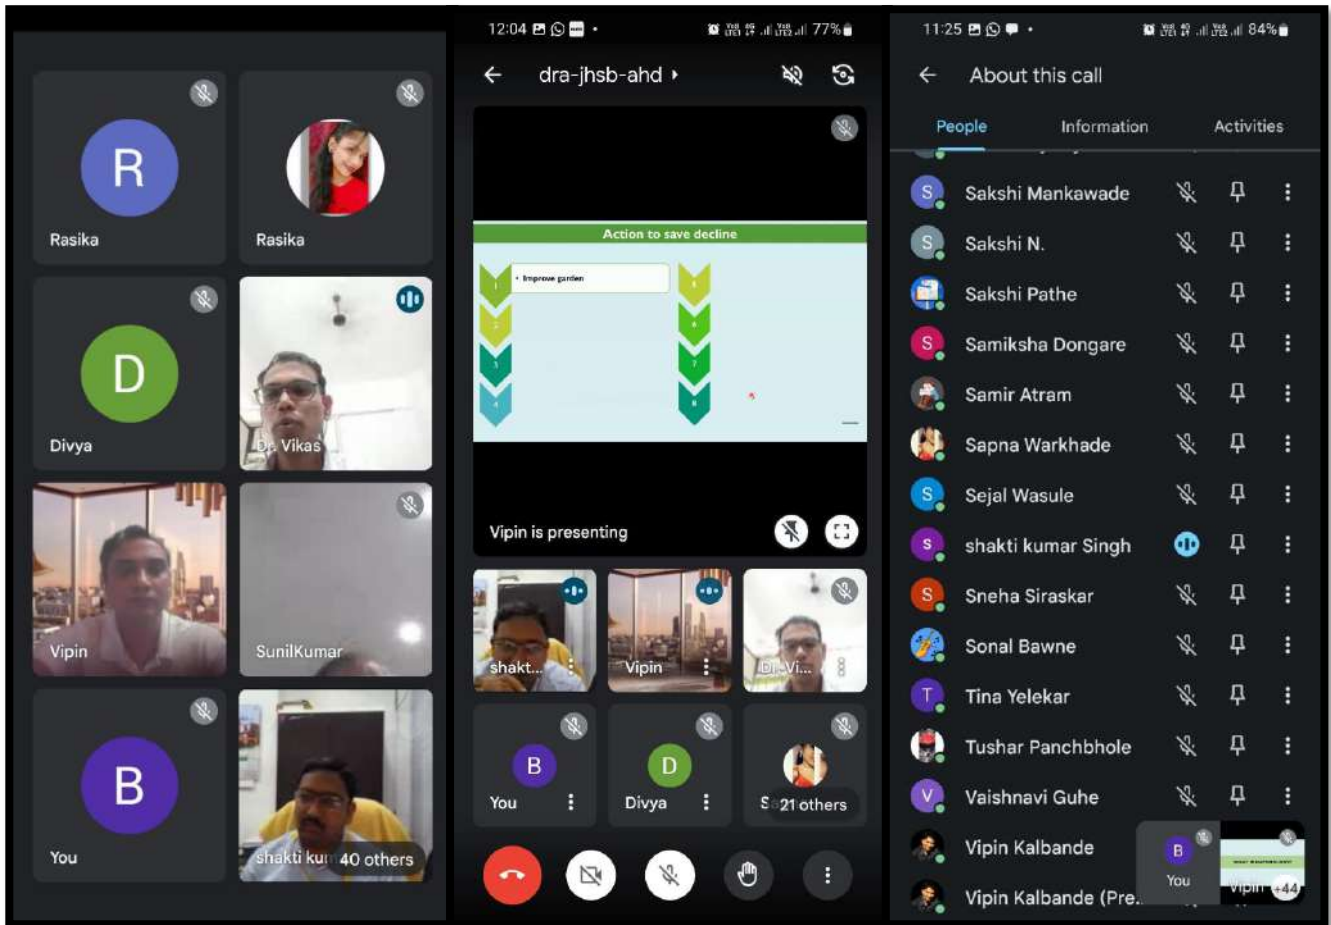

second half he explained about the importance of insects in the plant world specially in agriculture.

Outcome of the program: Students listen Dr. Singh very carefully and learnt a lot about our tiny friends from him. They understand the importance of biodiversity conservation and human survival.

Number of beneficiaries: Total 51 students of B.Sc. Botany second year & final year were benefited.

Date :- 05th February 2023

Number of Beneficiaries :- 34

"Punit Sagar Abhiyaan," spearheaded by the 20 Maharashtra Battalion National Cadet Corps (20 MAH BN NCC) Cadets from our college on February 5, 2023, was a commendable endeavor aimed at addressing the issue of pond cleanliness in Katol. Through meticulous planning and coordinated efforts, the cadets embarked on a mission to rejuvenate and restore the ponds, recognizing their crucial role in local ecosystems and community well-being. Engaging in cleaning activities and raising awareness about the importance of maintaining clean water bodies, the cadets collaborated with local authorities and community stakeholders to ensure the sustainability of their efforts. Their initiative exemplified the spirit of service and citizenship, leaving a lasting impact on the environment and the community of Katol, while also highlighting the power of youth-led initiatives in driving positive change for a cleaner, healthier future.

NCC DEPARTMENT

Session 2022-23

Name of the Program :- **Swachhta Mission**

Date :- 2nd October 2022

Number of Beneficiaries :- 52

On October 2nd, 2022, NCC cadets undertook a Swachhata (cleanliness) mission at Nabira College, Katol. This initiative, inspired by the principles of Mahatma Gandhi and in commemoration of his birth anniversary, aimed to promote cleanliness and hygiene within the college premises. The NCC cadets demonstrated their commitment to community service by actively participating in cleaning activities, such as clearing debris, garbage disposal, and beautification efforts. Their collective endeavor not only contributed to enhancing the cleanliness standards of Nabira College but also fostered a sense of responsibility and environmental consciousness among the student body. This Swachhata mission exemplified the spirit of volunteerism and civic engagement, reflecting the values instilled by the NCC in nurturing future leaders and responsible citizens.

Best Practice

“Best From Waste”

‘Best from Waste’ is one of the innovative idea & activity implemented by Department of commerce. It is the best practice of the commerce department since one year. The main objective of this program is to create social responsibility and awareness among the students. It will inculcate new outlook about life. Under this initiative, Department of Commerce proposed the concept of removing blank pages from the Notes Books of internal assessment collected from the students and use it to make good quality of Note Book. This make over note book will be distributed to needy students among the society. For this, the co-operation of Chanchal printers Katol was taken and MOU was signed with them. Following are the stages of this initiative from inception to completion of work.

- (i) Conception & Planning of ‘Best from Waste’ Initiative.
- (ii) Liaison and Successful MOU regarding Co-operation with Chanchal printers Katol.
- (iii) Selection of 14 Students of ‘Earn & Learn’ Scheme to complete the task and entrusting them with the responsibility of the work.
- (iv) Collective of all note books in one class room and sorting it according to size by the students.
- (v) Blank pages are handed over to Chanchal Printers to make Notes Books.
- (vi) Makeover of Waste Note Book take placed by Chanchal Printers, Katol and this note book is ready for poor & needy Students of the society.

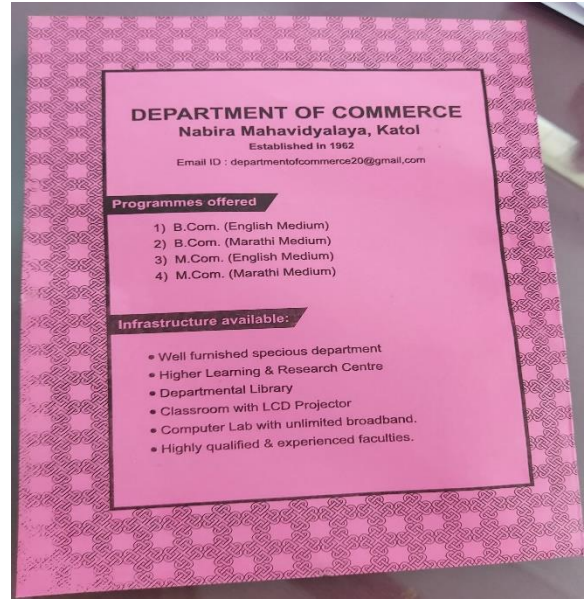

These 500 notes books will be given to deprived and economically weak students of the society in the next academic year 2023-24.
