Conclusive Remarks – Teachers' Feedback (2023-24)

Institute has collected feedback with reference to Administrative and overall educational as well as social and environmental factors. We have served them a questionnaire with various questions related to administration, teaching-learning process, self-development and facilities like canteen, library etc.

Conclusive remarks from the data:

Almost all teachers agree that college provides opportunities for their continuous development.

Majority of teachers (80%) agree that administrative staff guides them and also guides students properly.

Almost all teachers agree that activities are being planned according to the need of students.

Around 80% teachers are satisfied with the ICT tools and resources in library.

Around 90% teachers are very much satisfied with the institute's commitment towards conservation of environment and in recognizing and appreciating those who perform well.

Teachers seem very positive with reference to support of college in innovative teaching learning process, teaching learning facilities and towards building a sustainable brand.

Teachers shown their concern with reference to cleanliness and hygiene with reference to rest rooms, toilets and premises. 60 % of teachers were also concerned with canteen facility.
