**Session: 2023-2024**

**Title:** Blood Group and Health Check-up Camp

**Date:** 01/09/2023

**Number of beneficiaries:**

**156 students**

**Objective of the program.**

These camps help because they bring doctors and healthcare services to the people, making it easier for everyone to get check-ups and treatment. These camps also help find health problems early, before they become severe. That means people can get help sooner and not wait until they are very sick, which can be more expensive and harder to treat.

**About of the Speaker/guest-**

Dr. Amol Karngale, (Paediatrician, Katol)

## **Description of the program**

At the institution, the Department of Microbiology and Biotechnology hosted a blood type and health screening camp. Dr. Amol Karngale, a paediatrician from Katol, officially opened the camp. The Coordinator of IQAC is De Punit Raut. On this specific occasion, the occasion was graced by Dr. VG. Barsagde, the vice principal, and Dr. S. K. Navin, the principal of the college. The main purpose of the camp is to ascertain blood type, BMI, and etc. The blood type and BMI of 158 students were ascertained. The camp was overseen by M.Sc. and B.Sc. students as well as department faculty members. The Genesis Pathology Laboratory in Katol was involved in the planning of the camp. Director of Genesis Path Lab Mr. Akash Divandare and his team participated and identified the blood type. Personnel in support: Apeksha Ghormade and Miss Monu Monu Nawankhede, miss. Along with department faculty members, Ku. D.m. Ridhorkar, Mrs. AS Chandak, and Mrs. SP Nabira were present on this occasion.

## **Inaugurator and guest:**

Dr. Amol Karngale, a paediatrician from Katol, officially opened the camp. The Coordinator of IQAC is De Punit Raut. On this specific occasion, the occasion was graced by Dr. VG. Barsagde, the vice principal, and Dr. SK Navin, the principal of the college.

Valedictory function and vote of thanks:

Pediatrician Dr. Amol Karngale of Katol receives the vote of gratitude from Dr. N.B. Hirulkar, who also officially opened the camp. The Coordinator of IQAC is De Punit Raut. Students and all department staff, along with Dr. VG. Barsagde and College Principal Dr. S.K. Navin.

## **Outcome of the program.**

Setting up a blood group testing camp can be a great way to give back to the community by teaching people about their blood types and possibly saving lives through blood donation campaigns.

Clearly state the objectives of the blood group testing camp, including promoting the value of blood type awareness, enlisting blood donors, and helping patients who require particular blood types. Volunteer students were participate to earn the technical knowlage

**Date: 28-03-2024**

**Number of beneficiaries: 38**

**Objective of the program.**

The campaign's goal is to influence people to use less water and preserve their water supplies. Increasing public knowledge of water pollution: The campaign can inform people about the value of clean water and the harm that comes from water pollution to the ecosystem and human health. Promoting access to clean drinking water. The campaign can push for the construction of sufficient infrastructure for sanitary facilities and water supply, particularly in impoverished areas. Promoting sustainable water management practices. The campaign can increase public awareness of the importance of sustainable water management techniques such collecting rainfall, reusing wastewater, and enhancing water efficiency.

## **Description of the program**

The Department of Microbiology and Biotechnology's graduate and postgraduate students organized a road show, and Nukkad Natak A street drama entitled "Why clean water is for good health" was performed by 38 students on the Village Panchayat Chowk in Khangaon, Thane. They stress the importance of regularly washing your hands, not wasting drinking water, and using tap water in the pot's mouth to prevent infections. It should come as no surprise that so many people in the province, the nation, and the world consider ensuring we have access to safe, clean water to be a critical problem. Making sure that everyone and all animals have access to clean water, educating people about water issues, and taking steps to conserve and protect water Parts of a Water Awareness and Bio fertilizer awareness action Campaign include, of course, honoring our natural resources and making sure that everyone and animals have access to clean water. It is an excellent way to educate students, people and families about the environmental impacts of their actions and provide them with the tools needed to conserve and preserve water both at home and at school. When planning for your Water Awareness and Action Campaign, ask students to select water issues to explore that interest them and provide opportunities to take meaningful action.

## **Inaugurator and Guest:**

The event was planned Madam was there as a special visitor. While Sarpanch and Deputy Sarpanch were there as the primary guests. On this occasion, a number of villagers and Panchayat members were present

## **Valedictory Function and vote of thanks:**

Upon completion, the national anthem was performed by all of the students and citizens. Following that, roughly forty-five students planned a protest. Thanking each and every dignitary was program coordinator Shree Dr N.B. Hirulkar, head of department on this particular occasion, Dr. N.B Hirulkar expressed gratitude to the college's principal and all of the honourable management members for their thoughtful evaluation of the program. On this occasion, Ku D. M. Ridhorkar and Mr. Yogesh Wakode were present.

## **Outcome of the Program:**

As we all know that water is an important element to regulate body so drinking water should be pure and hygienic. Otherwise, people may suffer from various water-borne diseases. Water is the basis of all life on Earth. Humans need water to drink, grow food, and clean. Hosting a Water Awareness and Action Campaign at college is a great way to learn about water issues that directly affect your community. Lack of awareness of biofertilizers is a major challenge for farmers, the private sector (i.e. agro-dealers), extension

services and policy makers. Insufficient understanding of the technology obstructs the diffusion of innovation that could have otherwise been facilitated by awareness creation through dissemination of information by different channels and stakeholders. The awareness of the key stakeholders in biofertilizer technology can also be improved by national and international research organizations, as well as by the biofertilizer industry through participatory demonstration trials.

**Description of the program**

The state level Seminar Competition “Scistorm” was organized at Shri. M.M.College of Science Nagpur on 7<sup>th</sup> March 2024 to celebrate National Science day. The program was organized for UG and PG students of Science under the theme Indigenous Technologies for Viksit Bharat. The topics for seminar competition includes- Physical sciences, Mathematical sciences, Life sciences, Earth sciences and Computer sciences. Our two students of Physics – Mr. Manish Shende (B.Sc. III) and Mr. Pritam Ingole (B.Sc. II) had delivered a seminar. Shri. A.D.Wagh, and Shri. S.R.Gakhare, Teacher incharge escorted the students for participation.

**Outcome of the program :** The program was highly appreciated and enjoyed by students as it includes the presentations from advanced physical concepts. As the seminar competition includes the topics from various fields apart from Physical Science like Earth Science, Mathematical Science, Life Science, Computer Science, the students were prepared the seminar topics interactively through discussion.

**Title:** Report: Excursion Tour to Biodiversity and Water Park, Kamtee, Nagpur

**Date:** - 27 February 2024

**No. of Beneficiaries:** - 43

#### **Description of the program:-**

The objective of this excursion tour was to provide a unique learning experience for the students of B. Sc. and M.Sc., exposing them to the fascinating world of biodiversity and water activities.

A total of 43 students, including the assistant professor, participated in the excursion tour.

#### **Highlights:**

The students were thrilled to engage with various types of animals and plants throughout the park, fostering a deeper understanding of the importance of conservation and biodiversity. They enjoyed thrilling and adventurous water activities, such as swimming, boating, and water slides, which helped to break the ice and create a sense of friendship among the participants.

The assistant professor led the group through interactive sessions, providing insights into the biological and ecological significance of the various species on display.

#### **Outcome of the program:**

The excursion tour to the Biodiversity and Water Park was an unforgettable experience for both BSc and MSc students. It provided an opportunity for hands-on learning, conservation awareness, and interpersonal skill development.

### **Programme Evaluation:**

The excursion tour was deemed a huge success, with all participants reporting a positive experience. The majority of students felt that the trip was informative, enjoyable, and a great way to relax and bond with their peers. The assistant professor also appreciated the opportunity to interact with students outside of the classroom setting.

**Session: 2023-2024**

**Title: Workshop on PCB Design using Proteus**

**Date: 30/10/2023**

**Trainer:** Dr. Sachin T. Bahade, Asst. Prof. and Head Dept. of Electronics,

Nabira Mahavidyalaya, Katol, M-9096364740

**Participants: 31**

**Topics Covered:** i) PCB Evolution, ii) Different PCB Layouts, iii) PCB Characteristics, iv) Selection of Packages, v) PCB design steps using Proteus Software, vi) PCB Manufacturing Process, vii) Tools for PCB design, viii) Design Regulated Power supply

Department of Electronics Organized a one day “**Workshop on PCB Design using Proteus Software**” on Dated **30 Oct., 2023**. Dr. Sachin Bahade was the trainer of the workshop. He hold a orientation class on PCB Designing and Manufacturing, Hands on Training using Proteus software and Laboratory work. He addressed on career opportunities for PCB designer. In this Program total 31 students of B.Sc. were attended.

### **Department of Mathematics**

**Session: 2023-24**

**Title: Celebration of National Mathematics Day- 2023**

**Activity: National Level online Mathematics Quiz Competition-2023**

#### **Objectives of the program:**

1. To honor the birth anniversary of the renowned Indian mathematician, Srinivasa Ramanujan.
2. To commemorate the contributions of Srinivasa Ramanujan.
3. To create awareness about the significance of mathematics in various fields and everyday life.
4. To inspire students and educators to take an interest in mathematics and pursue their passion for the subject.
5. To provide a platform for students to explore various mathematical concepts beyond their regular curriculum.

#### **Description of the program:**

The Department of Mathematics, Nabira Mahavidyalaya Katol celebrated National Mathematics Day- 2023 on the eve of the birth anniversary of great Indian Mathematician Shrinivas Ramanujan. On this occasion, the department organized **National Level online Mathematics Quiz Competition** for UG and PG students of all streams on **22<sup>nd</sup> December 2023**. Total 332 students from various streams and different part of the country participated in the competition.

#### **Outcome of the program:**

The celebration of National Mathematics Day and organizing the National Level online Mathematics Quiz Competition can contribute in creating awareness about the significance of mathematics in various fields and everyday life and fostering a deeper appreciation for mathematics and its applications among the students. It can also help in nurturing future mathematicians, scientists, engineers, and artists who can contribute positively to society.

**Description of the Program:**

**“Best From Waste”**

‘Best from Waste’ is one of the innovative idea & activity implemented by Department of commerce. It is the best practice of the commerce department since one year. The main objective of this program is to create social responsibility and awareness among the students. It will teach new outlook about life. Under this initiative, Department of Commerce proposed the concept of

removing blank pages from the Notes Books of internal assessment collected from the students and use it to make good quality of Note Book. This make over note book will be distributed to needy students among the society. For this, the co-operation of chanchal printers Katol was taken and MOU was signed with them.

Following are the stages of this initiative from inception to completion of work.

- (i) Conception & Planning of 'Best from Waste' Initiative.
- (ii) Liaison and Successful MOU regarding Co-operation with chanchal printers Katol.
- (iii) Selection of 14 Students of 'Earn & Learn' Scheme to complete the task and entrusting them with the responsibility of the work.
- (iv) Collective of all note books in one class room and sorting it according to size by the students.
- (v) Blank pages are handed over to Chanchal Printers to make Notes Books.
- (vi) Makeover of Waste Note Book take placed by Chanchal Printers, Katol and this note book is ready for poor & needy Students of the society.

On 31 July 2023, these 500 notes books distributed by Dr. Punit N. Raut & Dr. Hitesh Vaswani, Mr. Raju Khorgade to 80 deprived and economically weaker students of zilha parisad school, Digras.

Dr. V. R. Ruikar, Dr. R.G. Gongale, Dr. Punit N. Raut, Dr. Hitesh Vaswani, Mr. Raju Khorgade, Mr. Dipak Dhambhale, Mr. Jayant Kalambe were present to this initiative.

### **Outcome of the Program.**

1. Economically weaker and needy students got educational help directly through this activity.
2. A sense of social responsibility developed among the college students.
3. Social awareness takes placed between college and society.
4. Various social problems realized through this activity.
